Aglaia the Radiant One,
Shine your light upon me.
Thalia the Flowering,
Teach me how to bloom.
Euphrosyne the Joyous,
Lead my way to laughter.

Quan Yin
Grant me peace,
Inward silence,
And tranquility.
May I approach this day
With calmness
And with openness.

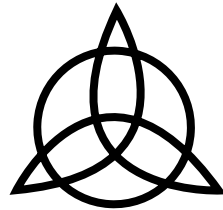

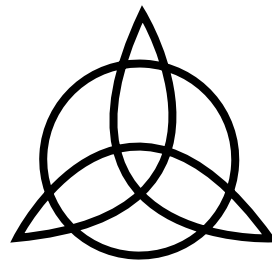

Hail Luna!
Luminous One!
Our eyes are upon you.
Light our paths
And light our visions.
Lead us through the dark.

Morning Prayer to Aphrodite

Hail Mother!
The Sun has risen.
Another day has begun.
I wash my face in these new born rays
And take my first step in the ways of love.

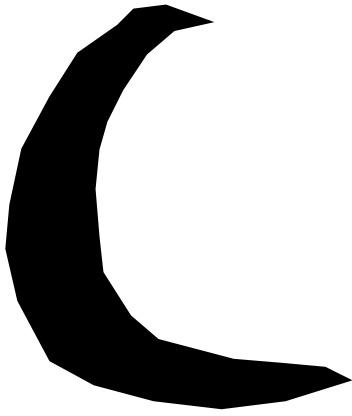

Trinity

By the Divinity of Three,
So mote it be!

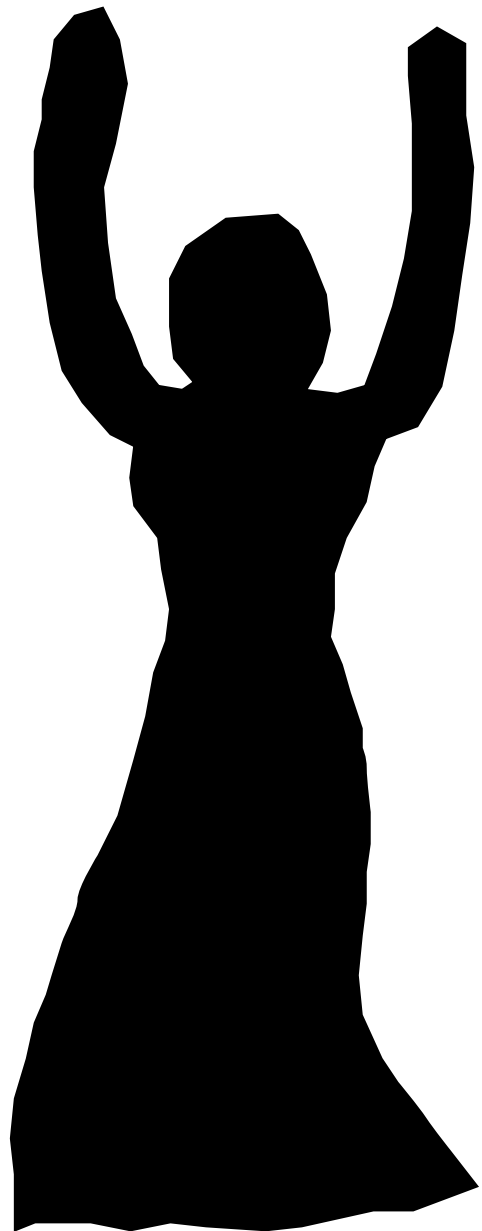

Land Prayer

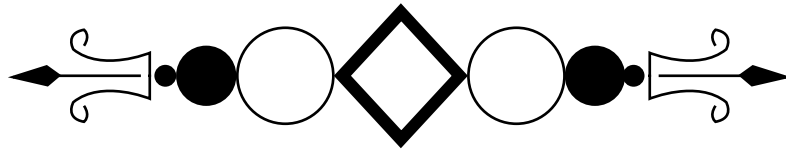

Grain Goddess,
upon your body I live.
You give to us the gift of life
and the gift of nourishment.
To you, I offer my love,
my courage and my strength.
So mote it be.

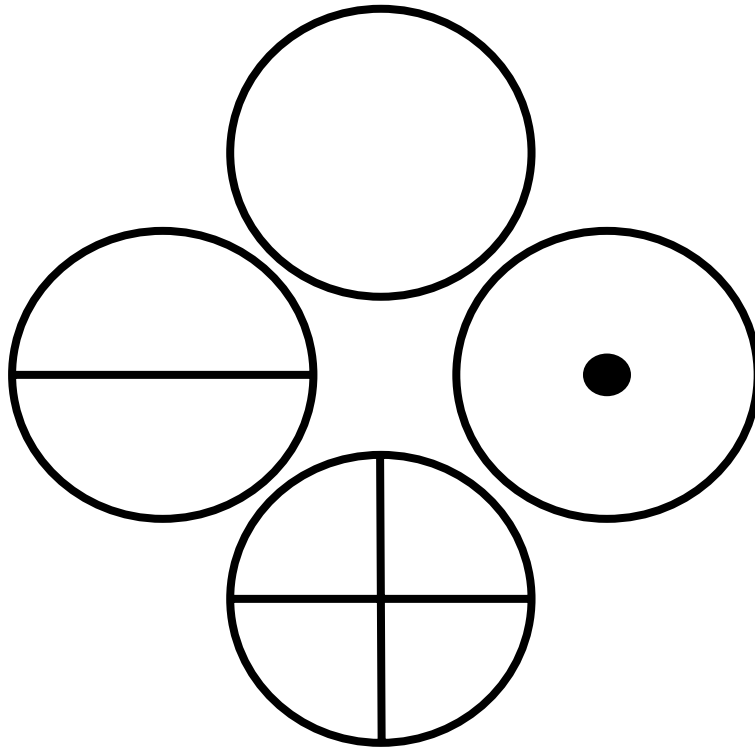

Hail Mother!

Hail Mother,
Full of grace,
Your people live upon you.
Blessed are all men and women
And blessed is your womb
From which all life springs.
Hail Mother!
Goddess of All,
Cradle us within your loving arms
From birth to death and to rebirth.

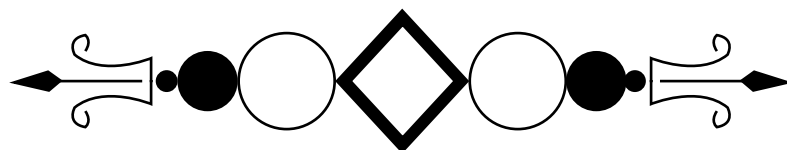

Faeries of the earthen mounds.
Guardians of secrets dear.
By your love commit me here.
To teach the knowledge of the Ancient Ones.
Be ever at my side to light my way.
To guide and teach me both night and day.

Writer's Chant

Mnemosyne. Mnemosyne.
Muse of the ancient time.
Keeper of the ancient rhyme.
Memory of that ancient age
When poetry was kept on tongue, not page.
Whisper to me those ancient utterings.
Send pen and ink fluttering.

Acorns fallen
From up above
Are kept for youth
And for true love.

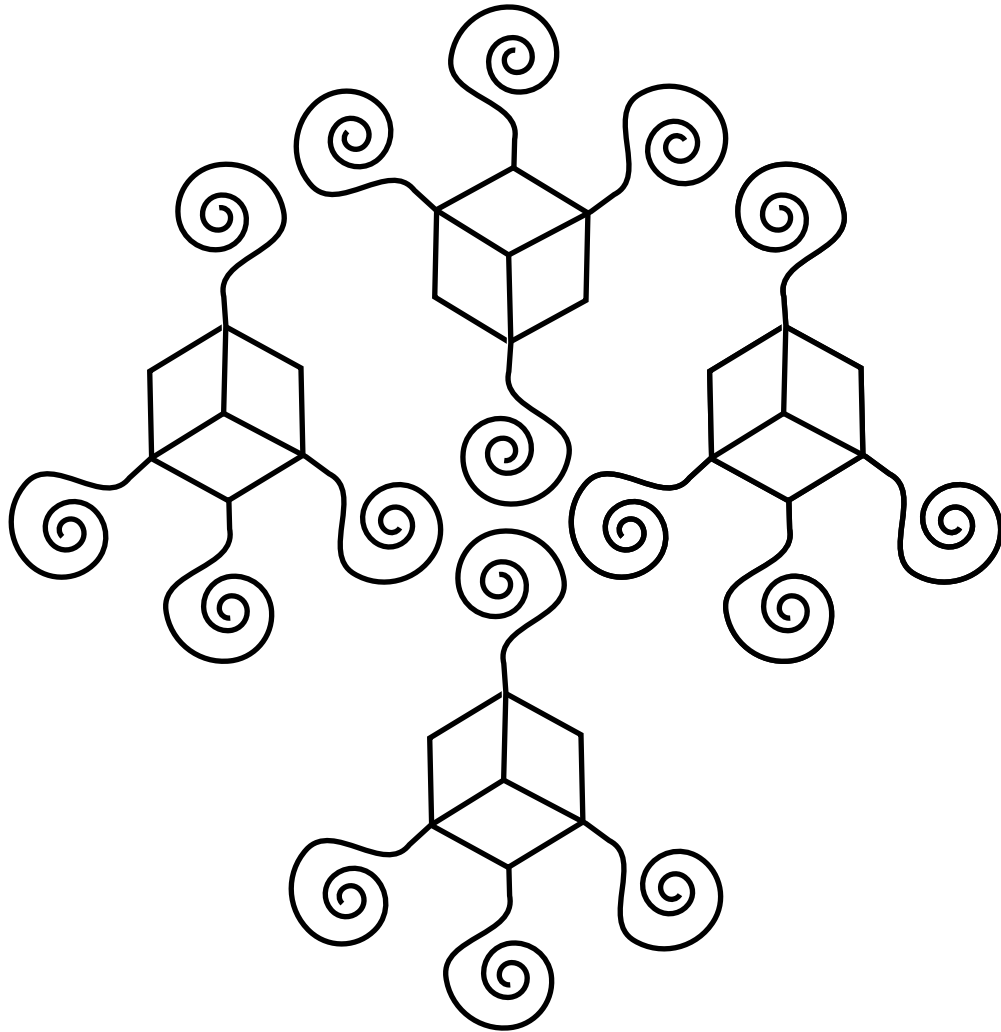

An arrowhead found
Within a field
Is kept in a pocket;
Protection it yields.

String coral beads
For children to wear.
It protects against disease
And keeps the wearer fair.

Buy a pin
With a bee
And wear when
You need energy.

A piece of coal,
If found
Upon the ground,
Brings prosperity.

Pine Resin

To be spoken when lighting the resin of pine trees in an incense burner.

Resin of pine tree
Burn in this bowl.
Remove the dark energy
That's invaded my home.

While Picking Holly

Holly sprig, come with me
Into my home where you shall be
United with your elven family.

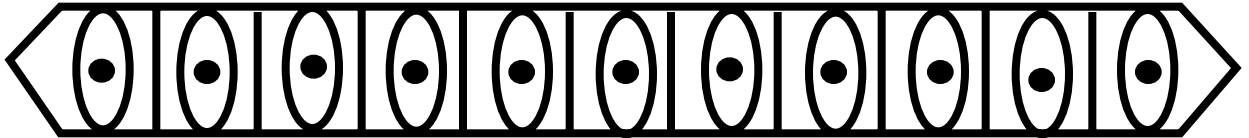

Joyous festivities upon my hearth
Where we eagerly await the Sun's rebirth.
To life eternal, to the Sun and to Earth!

Free Me

Loosely bind a dark feather with a thin white thread to a tree and say the following:

From stress and heartache, free me.
From all the chaos of the days, free me.
From stagnant thoughts, free me.
From idleness and feelings of helplessness, free me.
Wind, free me!

Walk away. When the wind tugs the feather from the tree, you will be freed.

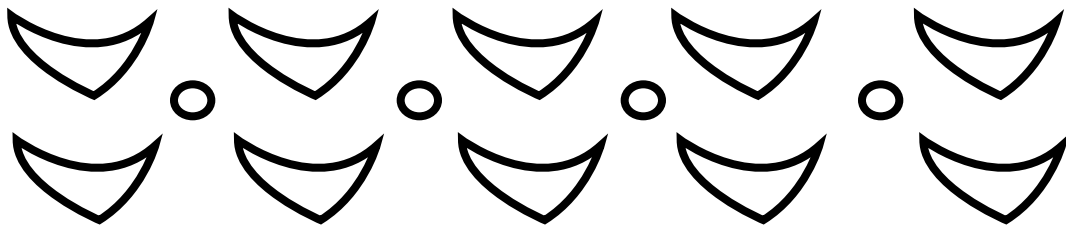

Candle Enchantment

Candle tall.
Candle bright.
Candle burn
All through the night!

Pumpkin Enchantment

Pumpkin orange
With grizzly face
Protect tonight
My homely place

Hazel Nut Charm

The hazel nut is said to contain all the wisdom of the worlds. They were carried around as charms to protect health and to help gain knowledge and bring about good fortune.

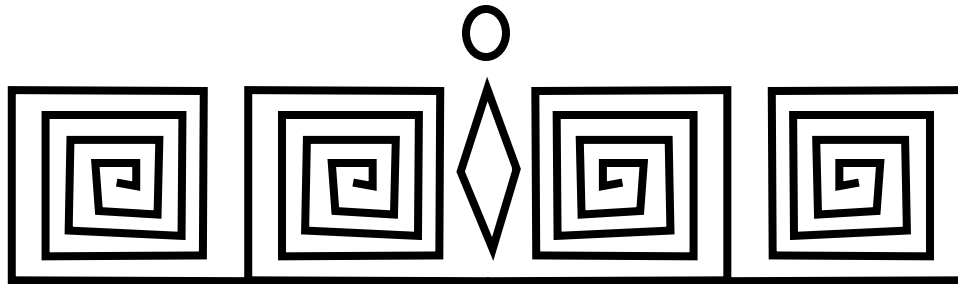

Hazel nut, nut, nut.
Bring me luck, luck, luck.
Heal my mind, mind, mind.
May wisdom find, find, find
It's way to me, me, me
And may I be, be, be
Blessed by three, three, three.

Ball of Protection

Ball of protection,
Round and smooth,
I need your help
To make my move.

Let's get the ball rolling.
The future's ahead.
Heal me with blue
And make my energy red.

I take my first step now.
I am freed from the past.
Keep the ball rolling.
I am myself at last!

To bring about quiet, say:

Hush like a whisper
The wind through the trees
Softer and softer
A summer's breeze
